

# Robert Vogel Pistol Course

September 17 and/or 18, 2022 9am-5pm

We are happy to be able to bring world class pistol shooter Robert Vogel to Delta Peach Bottom Fish and Game. Mr. Vogel is a highly regarded competition shooter and will be presenting pistol courses available to our members and community.

## Course Description: World Class Pistol Skills

This course is simply about developing world class-real life shooting skills, “aka” shooting fast and accurately. First examining the fundamentals and then delving into a heavy dose of technique that goes well beyond the basics, the student will learn the dynamics involved in driving a pistol to the highest level. It is designed around the ultimate and equal balance of accuracy and speed that is applicable just as much to LE/Military training as it is to practical shooting competition. Aside from the techniques and skills taught this course also has aspects that require the student to truly “think” while shooting. If you carry/use a handgun in any way, shape or form and you flat out want to be a “better shooter”, come take this class taught by a World Champion and you will benefit.

Please send the registration and course fee **as soon as possible** to reserve your seat in the class. Class size is limited. The course cost is \$275.00 for club members and 300.00 for non-members. **Robert "Bob" Gordon Vogel** is a professional marksman, competition shooter, and National/World champion. He is the only Law Enforcement Officer ever to win World and National Championships in the Practical Pistol Disciplines of IPSC and USPSA.

Robert was born and raised on a farm in rural Saint Mary’s, Ohio where he became heavily involved in shooting, hunting and the outdoors from a very young age. After graduating high school in 2000 he went immediately into a 2-year Police Academy program. It was also at this time that he began competing in practical shooting competitions. At present, Robert is a 2-time world champion and 17-time national champion across 3 disciplines of practical and combat shooting. Besides this, he has been a Police Officer for over 10 years. Eight and a half of those years were spent as a full-time street cop while also being a member of the county's joint-department SWAT team. During that tenure he served as a firearm instructor for both the department and the SWAT team.

Mr. Vogel won the USPSA National Championship in the Production Division two years in a row (2008 and 2009). In 2011, he won the Limited-10 Division. He has also won two world championships in Production and Stock-Pistol Division. He is currently ranked as a Grand Master in four USPSA Divisions, and as a Distinguished Master in four IDPA Divisions. Visit <http://www.vogeldynamics.com/> for more information.
